CHASON BEVERAGES

Oreno

2022

TOSCANA ROSSO I.G.T.

45% Merlot;
40% Cabernet Sauvignon;
10% Cabernet Franc
5% Petit Verdot

Created for the first time in 1999, Oreno's unique profile is attributed to its blend of Merlot, Cabernet Sauvignon, and Petit Verdot – executed with an inherently Tuscan identity. The cuvée takes its name from the stream that runs through the estate, burrowing through the nutrient-rich clay and sand soils that grant our Merlot vines ideal hydration. Our Cabernet Sauvignon prospers on the estate's more gravelly soils, enriched by ancient lake deposits, which are adept at regulating temperature and humidity, whilst providing optimal drainage. These two varieties are complemented by Petit Verdot, a grape that imparts spicy notes and an intense flavour to the wine. With its complex and fruit-forward structure, Oreno is a wine of extraordinary potential that delivers body, finesse, and harmony.
